Activating your SiriusXM® subscription (Purchase of subscription, SiriusXM connect tuner and antenna required).

1. With the radio power ON, tap the SiriusXM button to enter SiriusXM mode. After displaying the SiriusXM logo the receiver may update the software.
NOTE: Don't press any buttons or perform any operations until updating has been completed.
2. Once the update is complete, the display will change to "Call 1-866-635.2349 to Subscribe" and will show the Preview Channel on channel 1. You will not be able to tune to any other SiriusXM Radio channels until you activate your subscription.

3. You will need to access your SiriusXM Radio ID, which is displayed on Channel 0. Tap the direct tuning number pad icon to enter direct tuning mode. Tap "000" then the "checkmark" to tune to Channel 0. This will display your unit's unique 8-digit SiriusXM Radio ID.
 4. Write the Radio ID number down and have your credit card handy.
 5. To Activate a SiriusXM subscription, go to www.siriusxm.com/activatenow or call 1-866-635-2349.
- To activate SiriusXM Canada service go to www.xradio.ca and click on "ACTIVATE RADIO" in the top right corner, or call 1-877-438-9677.
