

# Voyager<sup>®</sup>

Forward Facing Camera

## CVCAM16

### PRODUCT FEATURES:

- High Performance Color Optics
- CMOS Technology
- Compact Size
- Universal Mounting
- Wide View Angle
- High Resolution
- IP68 Waterproof Rating
- 12 Volt DC

## **Technical Specs:**

|                          |                   |
|--------------------------|-------------------|
| Effective Pixel:         | 656 x 492 (0.32M) |
| Video Output Capability: | 1.0Vp-p (75ohm)   |
| Input Voltage:           | 9V~32V            |
| Power Consumption:       | 1.1W Max          |
| Video output:            | NTSC              |
| Viewing Angle:           | 150 (H) 100 (V)   |
| Operating Temperature:   | -30~70 C          |
| Storage Temperature:     | -40~85 C          |
