- Frequency response: 20 Hz - 20KHz
- Flush mount lighted chrome switch
- Epoxy potted enclosure
- 10 amp fuse in waterproof holder
- Corrosion resistant (ASTM B117)
- UV resistant (ASTM D4329)

SWJXHD35 HEAVY DUTY SPEAKERS:

Maximize your audio enjoyment by pairing the SWJHD905 with the JENSEN SWJXHD35 MINI Speakers. These 3.5-inch, two-way, weatherproof speakers are impedance matched with the SWJHD905 MINI Radio to give optimum output. With full-range audio, easy mounting options, and UV resistance, the SWJXHD35 MINI Speakers are the perfect compliment to the SWJHD905 MINI Radio.

SWJAN139 HEAVY DUTY MINI ANTENNA:

This 6-inch rubber mast top or side mount antenna enhances the SWJHD905's audio capability and withstands off-road environments with its heavy duty design.

SWJD11 HEAVY DUTY ANTENNA:

For maximum reception in rural areas, you'll want to consider the SWJD11 antenna. This 14-inch rubber mast top or side mount antenna, also brought to you by JENSEN, prevents breakage associated with normal metal mast antennas and the mounting base adjusts a complete 90° for either top or side mounting.

INSTALLATION KITS:

Looking for a kit with all the parts and pieces your customers need to install their SWJHD905? JENSEN offers three universal ways to easily mount the SWJHD905 radio. Whether you need a standard mounting kit for a utility vehicle application or want to mount the SWJHD905 on a ROPS roll bar, JENSEN has something specifically designed to fit the function.

SWJHD905ROPS Universal ROPS Roll bar mounting kit

Designed exclusively for mounting the SWJHD905 MINI Radio. Universal Bracket clamps onto all standard ROPS Roll Bars. Brackets Include provisions for antenna and speaker mounting. Includes wiring harness, hardware, and instructions.

SWJHD905KIT Universal vehicle mounting kit

Designed exclusively for mounting the SWJHD905 MINI Radio. Includes universal mounting bracket and wiring harness, detailed instructions and all hardware. Requires speakers and antenna.

SWJHD905SSK Universal SKIDSTEER mounting kit

Designed exclusively for mounting the SWJHD905 MINI Radio. Universal Bracket clamps onto all standard ROPS Roll Bars. Brackets Include provisions for antenna and speaker mounting. Includes wiring harness, hardware, and instructions.
