

# um6501umdsb

6.5" COMPONENT DRIVER

MM6501UMTSB Tweeter

## FEATURES:

- Power range: 25-125 watts RMS
- 250 watts peak power
- Sealed crossover assembly
- Stainless steel heavy duty input terminals
- Dynamic Balance Driver Technology
- Neodymium driver magnets
- Light weight and rigid carbon composite basket
- Voice coil: 30mm
- Woven glass composite cones
- Kippel optimized components
- ASTM B117 Salt Spray Exposure Standard Compliant
- ASTM D4329 UV Exposure Standard Compliant

# UM6501UMDSB

6.5" COMPONENT DRIVER
