POWER/MODE: Press to turn unit ON. Press again to enter SOURCE menu. Rotate the VOL/ENTER knob to navigate and press VOL/ENTER button to select AM, FM, Bluetooth or AUX mode.
Hold to turn the unit OFF.

VOLUME: Rotate the VOL/ENTER knob clockwise to increase or counter-clockwise to decrease the volume.

PLAY/PAUSE: Press to Play/Pause or Mute/Unmute audio depending on mode.

ENTER: Press to ENTER to select in menu operation.

BACK: Press to return previous settings menu.

APP Control

APP DOWNLOAD/OPERATION: Marine Audio app controls all primary stereo functions directly from your phone or tablet. Download from APP Store for Apple devices or Google Play Store for Android devices, and search for Marine Audio.

After installing app, pair your device to MA110 as instructed in Bluetooth section of this guide. Once your device is connected, open app and use as instructed (device must be paired and connected to MA110 before app can be used).
