# Product Change Notice

## JENSEN<sup>®</sup> AC135/150HP

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics will be updating the JENSEN<sup>®</sup> AC135/150HP RV AC/Heat Pump as follows:

The JENSEN<sup>®</sup> AC135/150HP RV AC/ Heat Pump will be discontinued. ASA will replace this unit with the ACM135/150HP Rooftop Air Conditioner. This change will be effective in September.

### AC135/150HP

### ACM135/150HP

- AC135HP 13,500 BTU/hr
- AC150HP 15,000 BTU/hr
- 29.4" W x 14.7" H x 35" D
- 92 lbs total weight
- 115V AC power
- Non-ozone depleting refrigerant (R410a)
- Resilient high-profile (1" thick) water seal gasket
- Silicone coating on cooling fins increases air-flow and reduces freeze ups
- Rigid, metal frame with thick foam support pads allows for quiet operation
- Attractive aerodynamic shroud design
- Three fan speeds (Low, Medium, High)
- Installs on standard 14 1/4" x 14 1/4" vent opening

- 13,500 BTU/hr (ACM135)
- 15,000 BTU/hr (ACM150)
- 24.9" W x 12.8" H x 31.2" D
- Over 20% lighter than traditional rooftop ACs (68 lbs total weight)
- 115V AC power
- Non-ozone depleting refrigerant (R410a)
- Rigid, metal frame with thick foam support pads allows for quiet operation
- Premium, extra thick water seal gasket
- Three fan speeds (Low, Medium, High)
- Fan-On control options
- Installs on standard 14 1/4" x 14 1/4" vent opening
- Removable washable filter
- Condensation Dispersion Cooling System increases cooling efficiency and eliminates water run-offs

- Please note all existing ceiling assemblies will still work. Also, this unit uses a different heat strip.

If you have any questions regarding this change, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.

# ACM135/150

## Rooftop Air Conditioner

### TECHNICAL DATA

#### ACM135

#### Features

- 13,500 BTU Rated Cooling Capacity
- R410a Refrigerant
- Compact Size
- Reduced weight
- High Efficiency (water dispersion cooling system)
- Low Noise
- Backwards compatible with all Advent ceiling assemblies

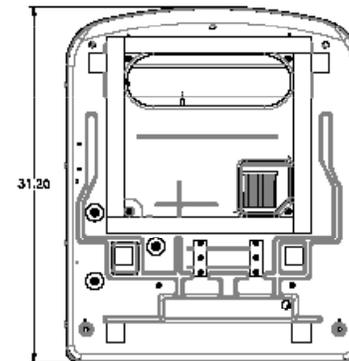

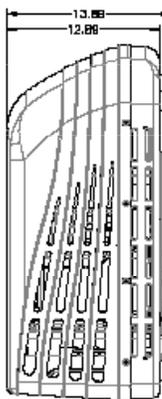

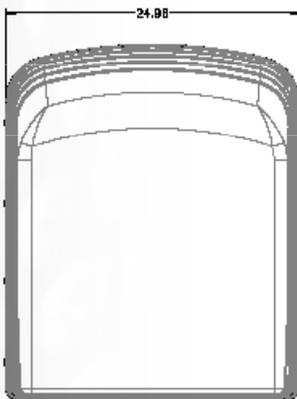

#### Specifications

##### General Specifications:

|                             |                             |             |
|-----------------------------|-----------------------------|-------------|
| Power System                | AC 115 V, 60 Hz             |             |
| Power Consumption           | 0W stand by                 | 1450W rated |
| Overall Dimensions          | 24.9" W x 12.8" H x 31.2" D |             |
| Product Weight (unpacked)   | 68 lbs                      |             |
| Regulatory Certification(s) | UL, CUL                     |             |
