

DESIGNED TO MOVE [YOU]<sup>®</sup>

## Product Change Notice

In an effort to keep our audio and video products on the cutting-edge of technology, ASA Electronics will be updating our audio line as follows:

The JENSEN<sup>®</sup> AWM975 wallmount stereo will be discontinued. ASA Electronics will replace this unit with the JENSEN<sup>®</sup> JWM6A wallmount stereo. This change will be effective 11/01/15.

ASA Electronics has now upgraded this product line to include full-function app control via a free application for both Android and iOS users called JENSEN<sup>®</sup> jControl. This app transforms your phone or tablet into the ultimate wireless remote control for your JENSEN<sup>®</sup> stereo system.

The jControl app controls all of the primary functions of your stereo including:

- Power on/off
- Volume and mute
- CD/DVD player
- AM/FM radio tuner - access station, recall, store presets or switch songs
- Speaker selection (A, B and/or C)
- Audio menu: bass, treble, balance, fader, equalizer, volume and speaker selection settings
- Clock with sleep timer and alarm

JWM6A

If you have any questions regarding this product change or want information on specific pricing, please contact your ASA Electronics sales representative or customer service at 574-264-3135 or 800-688-3135.
