

DESIGNED TO MOVE [YOU]®

Product Discontinuation Notice

JENSEN® CPM535GH

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics is updating our audio accessories as follows:

The JENSEN® CPM535GH combo package has been discontinued. A possible replacement option is the JENSEN® CPM530 combo package. This will be effective immediately.

PRODUCT FEATURES:

- Includes: MCD5090 stereo, pair of AMS602W 6-1/2" dual cone speakers and a MRH211W marine housing
- 160 watts (4x40w)
- Conformal coated circuit boards
- Front aux input
- LED backlit controls
- UV stable plastic
- Does not support wired remotes

If you have any questions regarding this product change or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
