

## Product Transition Notice

In order to ensure our electronics prices remain competitive, ASA Electronics has made the decision to move manufacturing of some existing products out of China. We have issued new part numbers for the products that will now be manufactured in Malaysia.

The CVPS192SNSR Two Sensor Add-on Kit will be replaced by the CVPS192SR Two Sensor Add-on Kit. Malaysian products will be built and tested to the same standards and all features and technical specifications will remain the same.

This change will be effective when current supply runs out.

CVPS192SNSR

CVPS192SR

### Product Features

- Compatible with CVPS19 and CVPS192 Six Channel Rear Proximity Sensor Systems

If you have any questions regarding these product changes or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
