

DESIGNED TO MOVE [YOU]<sup>®</sup>

## Product Change Notice

In an effort to keep our stereo on the cutting-edge of technology, ASA Electronics will be updating our product line as follows:

The JENSEN<sup>®</sup> JHD3630BT will be discontinued. ASA Electronics will replace this model with the JENSEN<sup>®</sup> JCV2015. This change will be effective approximately 7/1/2016.

### Features of the new JCV2015BT Include:

- JCV2015BT introduces J1939 CAN-Bus functionality which can control factory-installed steering wheel and sleeper controls available in most late model Peterbilt, Kenworth, and International ProStar tractors.
- Also Plug-N-Play with late model Kenworth, Peterbilt, Navistar, Freightliner Cascadia factory ISO harness
- Introduces the ability to change backlighting between green and amber to match the different dash lighting colors used between multiple OEMs
- OEM-quality CD mechanism now standard on the JCV2015BT for increased durability.
- LED backlighting auto dims with factory dash lighting adjustments are made by the driver.
- Retains the ability have onboard computer integration so messages are played over factory speaker(s).

If you have any questions regarding this product change or need further information, please contact your ASA Electronics sales representative or customer service at 574-264-3135 or 800-688-3135.

Notification Date: 8/3/2016
