

DESIGNED TO MOVE [YOU]®

# Product Discontinuation Notice

## JENSEN® MWR75 & MWR100

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics is updating our audio accessories as follows:

The JENSEN® MWR75 and MWR100 wired remote control has been discontinued. A possible replacement option is the JENSEN® MWR150 wired remote control. This will be effective when supplies run out.
