

DESIGNED TO MOVE [YOU]®

Product Change Notice

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics will be updating our line of JENSEN® products as follows:

The JENSEN® JPA600 will be replacing the JENSEN PA500. The upgraded PA amplifier uses universal harness leads for easy installation and allows for complete volume control with a JMICHND for ease of use. This change will take effect 1/1/19.

PA500 Features

- Power output: 70 watts
- Power: 12V
- Universal PA works with any stereo with AUX-Input or as a stand alone
- Installation: in-line between existing stereo & speakers
- Electronics enclosed in small module that hides in dashboard
- Automatically interrupts audio from stereo & engages microphone amplifier when keyed
- Dimensions: 3.0"W x 1.9"H x 4.0"D

JPA600 Features

- 2 Wire - 12VDC switched power
- 4 Channel Audio Amplifier with Public Address (PA)
- **Universal harness leads**
- **Compatible with JMICHND for volume control instead of integrated volume knob**
- 4 Ohm ~ 8 Ohm Stable
- Frequency Response 100Hz ~ 10KHz
- 10 Amp Fuse in holder
- Universal PA, works with any 4 channel stereo or stand-alone.
- Installation: In-line between existing stereo & speakers
- Automatically interrupts stereo audio when mic is keyed
- Dimensions: 3.0"W x 1.9"H x 4.0"D

If you have any questions regarding this change, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
