

Product Discontinuation Notice

JENSEN® JSB4000

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics is updating our entertainment line as follows:

The JENSEN® JSB4000 Amplified Soundbar has been discontinued. This change will take effect when current supply is exhausted.

If you have any questions regarding this product change or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
