

Voyager®

Product Change Notice

In an effort to keep our Voyager® observation line on the cutting-edge, ASA Electronics will be making the following update to our camera line:

The Voyager VCCS155/B CC IR LED camera will be replaced with the Voyager VCMS155/B Color CMOS IR LED camera. This change will be effective approximately November 2015.

VCCS155/B

- High performance color optics
- Waterproof (IP69K)
- Viewing angle: 143°, 111°, 78°
- IR low light assist (9 LEDs)
- Mirror image orientation
- Built-in microphone
- Aluminum housing
- Corrosion resistant (ASTM B117)
- Available in white (VCCS155) or black (VCCS155B)

VCMS155/B

- High performance color optics
- Waterproof IP69K
- Viewing angles: 140°, 112°, 80°
- IR low light assist (10 LEDs)
- Normal/mirror image orientation
- Built-in microphone
- Aluminum housing
- Corrosion resistant (ASTM B117)
- Available in white (VCMS155) or black (VCMS155B)
- CMOS sensor

If you have any questions regarding this product change or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
