Product Transition Notice

In order to ensure our electronics prices remain competitive, ASA Electronics has made the decision to move manufacturing of some existing products out of China. We have issued new part numbers for the products that will now be manufactured in Malaysia.

The CVPS18AMZ Four Sensor Proximity Sensor System will be replaced by the CVPS182AMZ Four Sensor Proximity Sensor System. Malaysian products will be built and tested to the same standards and all features and technical specifications will remain the same.

This change will be effective when current supply runs out.

CVPS18AMZ

CVPS182AMZ

Product Features

- Four bumper/body-mount sensors
- Four detection zones with progressive beep tone
- Proximity detection/warning system
- Audio speaker/buzzer with High/Low/Off volume settings
- Non-calibration, no on-screen display

If you have any questions regarding these product changes or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
