

DESIGNED TO MOVE [YOU][®]

Product Change Notice

In an effort to keep our audio and video products on the cutting-edge of technology, ASA Electronics will be updating our TV line as follows:

The JENSEN[®] JE2612LED 26" LED television will be discontinued. ASA will replace this unit with the JENSEN[®] JTV2815DC 28" LED television. This change will be effective November 2014.

The JTV2815DC is the only true DC 28" TV on the market featuring a first of its kind metal cabinet design reinforced for vibration. This cutting edge design also features an ultra slim profile and convenient front controls.
