

## Product Change Notice

In an effort to keep our stereos on the cutting-edge of technology, ASA Electronics will be updating our product line as follows:

The JENSEN® JHD3630BT will be discontinued. ASA Electronics has created a direct replacement for this model with the JENSEN® JHD36A. This change will be effective approximately 12/1/16.

### Features of the new JHD36A Include:

- App Ready
  - Full control of stereo functions from a smart device with the **jHD Control App**
- Audio streaming and controls from Bluetooth-enabled devices
- Sirius XM-Ready
- NOAA seven-channel weatherband with SAME technology
- Front and rear AUX input

If you have any questions regarding this product change or need further information, please contact your ASA Electronics sales representative or customer service at 574-264-3135 or 800-688-3135.
