CONTROL SYSTEMS

## Product Change Notice

In an effort to keep our RV Control Systems on the cutting-edge of technology, ASA Electronics will be updating our product line as follows:

The iN-Command JRVCS2 is replacing the JRVCS1.

These changes will be effective approximately March 2017.

The new JRVCS2 will contain the following changes:

- There is a wired connection between the Display Commander and Body Control Module.
- The new Display Commander trim has the iN-Command logo and PRO PLUS silk screening.
- The Body Control Module has 2 manual override switches instead of 3.
- The Body Control Module cover has the iN-Command logo on the front.
- The Display Commander has an updated user interface

If you have any questions regarding this product change, please contact your ASA sales representative at 574-264-3135 or 800-688-3135.
