

DESIGNED TO MOVE [YOU]®

Product Discontinuation Notice

JENSEN® MS2A

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics is updating our audio accessories as follows:

The JENSEN® MS2A Stereo has been discontinued. Please contact your individual sales representative for a possible replacement suggestion. This change will take effect approximately **October 1st** or when current supply is exhausted.

If you have any questions regarding this product change or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
