ULTRAMARINE
C E R T I F I E D

Product Change Notice

In order to ensure our products continue to evolve as the technological market changes, ASA Electronics is updating our audio accessories as follows:

The commander for the Polk Ultramarine® PA4A audio system is being discontinued. We will be offering the UMC1 App Ready Marine Controlloer, paired with PA4ATAB module, as a replacement. This change will take effect approximately October 2019 or when current supply is exhausted.

PA4A

- App Ready - All primary unit functions can be controlled by any Bluetooth-enabled device with the Polk Ultramarine app
- Full iPod®/iPhone® control and charging (via USB)
- SiriusXM-Ready® (requires SXV300V1M tuner and subscription)
- Seven-channel NOAA weatherband
- 18 FM/12 AM/18 SAT station presets
- Remote control ready (PRC100BC, PRC200BC)
- Low battery warning
- Conformal coated PCB
- IPX6 waterproof design
