

Voyager®

Product Transition Notice

In order to ensure our products continue to evolve as technology changes, ASA Electronics will be phasing out our current wireless observation cameras, monitors, and systems using WiSight Technology.

The Voyager WVCMS130AP Digital Wireless Camera, using WiSight Technology, will be discontinued. ASA's replacement camera is the Voyager WVSXC150 Digital Wireless Camera, using **WiSight 2.0 Technology**. This change will be effective when current supply is exhausted.

- Compatible with WiSight Monitors (WVOM43 or WVOM541AP)
- Not forward compatible with WiSight 2.0 Technology
- 12VDC universal power connection
- High-performance color optics
- CMOS sensor technology
- IR LED low-light assist
- Waterproof design and construction
- Integrated microphone

- **Compatible with WiSight 2.0 Monitors* (WVSXM43 or WVSXM70)**
- **Not backwards compatible with WiSight Technology**
- **"Voyager 2.0" mark on bottom of camera**
- 12 volt DC universal power connection
- High-performance color optics
- CMOS sensor technology
- IR LED low-light assist
- Waterproof design and construction
- Integrated microphone

If you have any questions regarding these product changes or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at (877) 845-8750
