

Voyager®

Product Transition Notice

In order to ensure our products continue to evolve as technology changes, ASA Electronics will be phasing out our current wireless observation cameras, monitors, and systems using WiSight Technology.

The Voyager WVOM541AP Digital Wireless Monitor, using WiSight Technology, will be discontinued. ASA's replacement system is the Voyager WVSXM70 Digital Wireless Monitor using **WiSight 2.0 Technology**. This change will be effective when current supply is exhausted.

- Compatible with WiSight Technology products
- Not forward compatible with WiSight 2.0 Technology

Monitor (WVOM541AP)

- Supports up to four wireless cameras simultaneously
- Auto-Pairing capability allows monitor to be paired with any of the wireless cameras with the touch of a button
- Strong signal transmits through and around objects up to 60 feet away
- Bright 5.6" display
- Built-in speaker
- Suction-cup mount and 12V DC plug included

- **Compatible with WiSight 2.0 Technology products**
- **Not backwards compatible with WiSight Technology**
