

Product Change Notice

In order to ensure our products continue to evolve as our products change, ASA Electronics will be updating our accessory line as follows:

The SXV200V1M SiriusXM Satellite Tuner will be replaced with the SXV300V1M SiriusXM Satellite Tuner. There will not be price change as this is the same tuner, but with a different part number. Antenna is sold separately. This change will be effective immediately.

SXV300V1M

Now supports advanced features such as Xtra channels*, SiriusXM Latino, TuneMix™, TuneScan™, TuneStart™, SportsFlash™, Traffic & Weather Now, Replay, iTunes® song tagging and even Song/Artist/Game alerts**

*Access to Xtra Channels depends on subscription package. Subscription sold separately.

**Consult stereo receiver manufacture for detailed description of features, operations and capabilities.

If you have any questions regarding this change or want information on specific pricing, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
