

Voyager®

Product Change Notice

In order to ensure our products continue to evolve as technology changes, ASA Electronics will be updating our observation line as follows:

The Voyager VOS7MDCL1B and VOSMDCL2B camera systems will no longer include the VCMS50i camera. These systems will now include the Voyager VCMS17B. All other components of these systems will remain the same. Please contact your individual sales representative for a possible replacement option. This change will take effect when current supply is exhausted

VCMS50i

- High performance color optics
- 1/4" CMOS sensor
- IR low-light assist
- Image orientation: mirror (reversed)
- Microphone
- Waterproof (IP69K)
- Corrosion resistant (ASTM B117)
- 12 volt DC power
- Dimensions: 1.5"W x 1.32"H x 1.06"D

VCMS17B

- High performance color optics
- 1/3" CMOS sensor
- IR low-light assist
- Image orientation: mirror (reversed)
- Microphone
- Waterproof (IP69K)
- Corrosion resistant (ASTM B117)
- 12 volt DC power
- Dimensions: 2.76"W x 1.76"H x 2.07"D

If you have any questions regarding this product change notice, please contact your ASA sales representative or ASA Customer Service at 574-264-3135 or 800-688-3135.
