

Product Change Notice

In an effort to keep our stereos on the cutting-edge of technology, ASA Electronics will be updating our product line as follows:

The JENSEN® VX7020A will be discontinued and will be replaced by the JRV9000 Touchscreen, Navigation, Multimedia System. This change will be effective approximately April 2017.

Features of the new JRV9000 Include:

- 6.2" high-resolution touchscreen
- Audio streaming and controls from Bluetooth-enabled devices
- iGo Primo NextGen GPS navigation and mapping
- iPod/iPhone control and charging via front USB
- Three camera inputs
- Sirius XM-Ready
- NOAA seven-channel weatherband with SAME technology
- Front and rear AUX input

If you have any questions regarding this product change or need further information, please contact your ASA Electronics sales representative or customer service at 574-264-3135 or 800-688-3135.

Notification Date: 1/3/2017

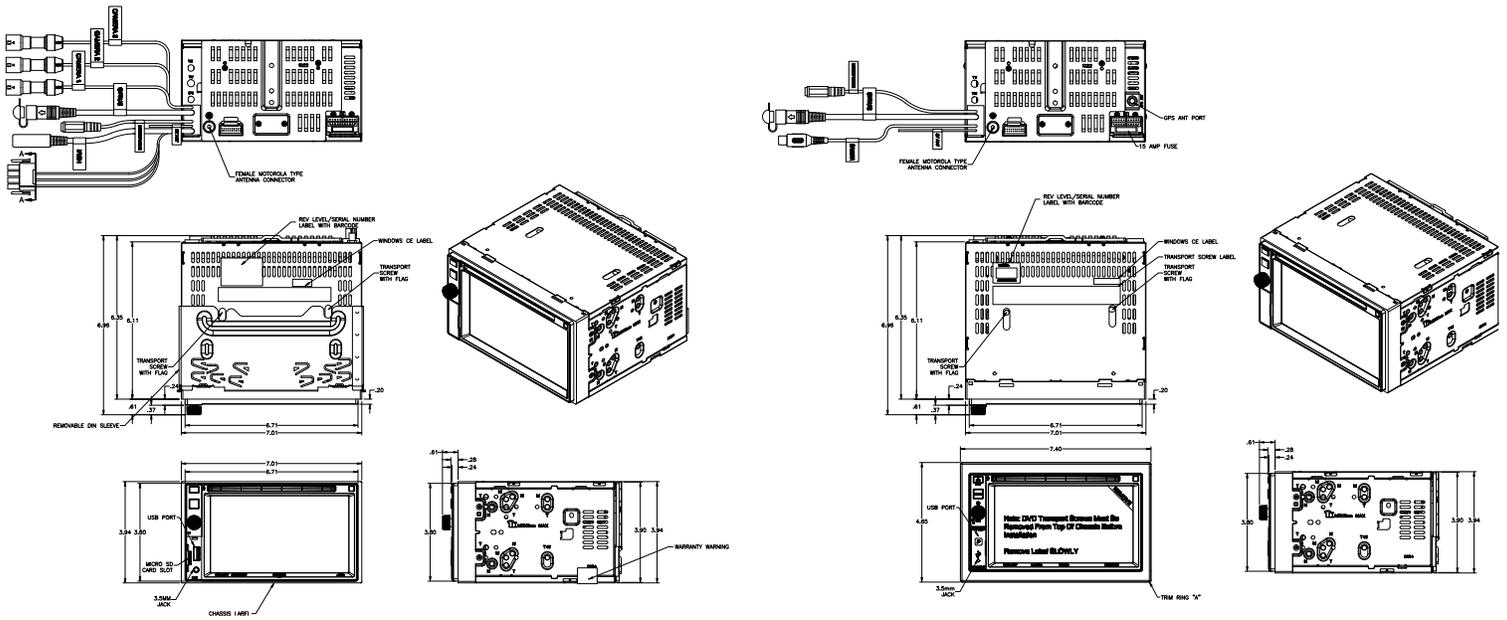

Product Change Notice
