

# Voyager®

## Product Change Notice

---

In an effort to keep our observation products on the cutting-edge of technology, ASA Electronics will be updating our product line as follows:

The Voyager® WVOS511 will be discontinued. ASA Electronics will replace this model with the Voyager® WVOS541. This change will be effective approximately 2/1/2016.

**ASA Electronics has upgraded this Wireless Observation System from having only one wireless camera and one wired input, to include one wired camera input as well as the ability to auto-pair up to four wireless cameras using Wi-Sight® technology.\***

\*One CMOS digital, wireless observation camera included in kit. Additional cameras available for purchase as a separate part number: WVCMS130AP

If you have any questions regarding this product change or need further information, please contact your ASA Electronics sales representative or customer service at 574-264-3135 or 800-688-3135.

Notification Date: 1/1/2016
