Re: Sirius DC Identification for Gen 3.0 Direct Connect

Details:

- **The MSR3007 with SIRIUS DIRECT CONNECT (DC) includes the Sirius logo with DC after it in the lower left hand corner of the LCD screen. There is also an ORANGE tag on the SIRIUS connector itself. (See Photos). The new revision pertains to Revision Levels “D” and after. The revision level is noted on the radio, and on the packaging.**
- **The MSR3007 at Revision “C” is also with SIRIUS DIRECT CONNECT (DC). However, the ORANGE tag is on the SIRIUS connector with the original SIRIUS logo on the face of the radio (no DC).**
